Why Choose Colligan?

On-Site Crematory

Colligan is one of the very few funeral homes locally offering an on-site crematory. We ensure that your loved one will be in constant care and treated with the utmost respect.

Affordable

Colligan is committed to offering options that are affordable and competitively priced. From traditional burials, to celebrations of life, we can provide you with options that are as unique as the one being honored.

Efficient

As a company, our size allows us to be efficient. We are large enough to accommodate the most elaborate celebration of life yet small enough to ensure every family receives personal service with the highest degree of detail.

Service

Our primary mission is to be of service to others. With compassion at the heart of all we do, we are here to help your family and lighten the burden during your time of need. We provide your family with a peace of mind, treating you and your loved one with genuineness, dignity, and respect. We are available on call whenever you need us.
